

# Kitchener's Natural Areas Program

## Discover Nature in the City Upcoming Events Winter 2011-2012

### Winter Birds of the Huron Natural Area

Saturday December 10, 2011; 1-3pm

Huron Natural Area, 801 Trillium Drive, Kitchener

Meet at the School Portable.

Spend an afternoon with friends of the feathered kind! Join staff from the City of Kitchener on a hike through the Huron Natural Area and learn about some of the birds that remain in Ontario for the winter season. Suitable for all ages and experience levels - beginner bird watchers welcome! If you have binoculars, please bring them along. Dress appropriately for the outdoor hike. Free - All Ages Welcome.

Note: Washroom facilities will not be available.

### Winter Wildlife Tracking

Sunday January 22, 2012; 1-3pm

Huron Natural Area, 801 Trillium Drive, Kitchener

Meet at the School Portable

Learn how to recognize some of the common animal tracks and enjoy a leisurely hike through the forests and fields of the Huron Natural Area. Dress appropriately for the outdoor. Free - All Ages Welcome!

Note: Washroom facilities will not be available.

### Owls in Kitchener's Natural Areas

Saturday February 11, 2012; 7-9pm

Huron Natural Area, 801 Trillium Drive, Kitchener

Meet at the School Portable

Spend an evening learning about the different owls that live in Kitchener's Natural Areas. We will begin with an indoor slideshow about owls and their habitats and behaviours and will also go for a night to call and look for owls in the Huron Natural Area. Dress appropriately for the outdoor hike. Free - All Ages Welcome! REGISTRATION REQUIRED!

Note: Washroom facilities will not be available.
