

Do we need a new central library?

- What are the library's needs?
- What role will technology play in the new library?
 - What about adding more branches instead?
- Could we partner with universities or other cities?
 - Are there other alternatives to improve our library that are worth pursuing?

YES

NO

Is the Centre Block the best location for a new central library?

- Are there other, better locations for the library?

YES

NO

How should we proceed with the development of Centre Block?

Will the current proposal and process get us the type of library we want on Centre Block?

YES

NO

PROCEED WITH CURRENT PROPOSAL AND PROCESS

What is the best process to redevelop Centre Block with a central library?
