

Title: KW Homelessness Memorial, *Between a Rock and a Hard Place*

Year: 2020

Artist: Ernest Daetwyler

Medium: bronze and red sandstone

Location: Vogelsang Green
Kitchener, ON
N2H 1A2

Acquisition Method: Donation

This public art project honours and remembers those who have lost their lives while experiencing homelessness. It was a community collaboration initiated by Suzi Gursoy, a Kitchener resident with a lived experience of homelessness. The project was able to be realized with the support of The KW Homeless Memorial Committee, whose members represent local organizations that exist to assist and raise awareness about individuals experiencing homelessness.
