

Title: The Grand River

Year: 2006

Artist: Walter Gibson, Lynn Whaley

Medium: Terrazzo and glass tile mosaic

Location: Stanley Park Community Centre  
505 Franklin Street North  
Kitchener, ON  
N2A 4K7

Acquisition Method: Public Art (1%)

Integrated into the building's architecture and fittings, the terrazzo and glass insets begin at the front door and continue along the lobby floor, ending as an element of the reception counter. The work flows through the space, meandering, as the Grand River moves through our region. Located inside the community centre.
