Project Information

Reconstruction Project

Becker Street (Fife Avenue to Krug Street)

Purpose of the Consultation: To present for public comment and input, the proposed reconstruction details.

Project Description: The existing storm and sanitary sewers, watermains, as well as service connections, curbs, sidewalk, and the road structure will be replaced.

Project Funding: This project is funded by the ratepayers of Kitchener.

Construction Schedule: Construction is anticipated to begin in early April 2021 with paving complete by late October 2021.

Contractor: TBD

Project Management: City of Kitchener Development Services Department, Engineering Services Division.

Personnel to Contact: Should you have any questions or comments about this project and wish to speak with someone personally, you may call:

Shailesh Shah, P.Eng., 519-741-2200 ext.7144, Shailesh.Shah@kitchener.ca
Steve Collie, P.Eng., 519-650 – 8665, Stephen.Collie@aecom.com
Project Highlights

Becker Street (Fife Avenue to Krug Street)

- Overview of work:
  - Complete Reconstruction of Becker Street including new curbs, sidewalks, asphalt roadway, sanitary sewer and services, watermain and services and storm sewer.

- Proposed changes from existing roadway:
  - The City is proposing some elements of the Complete Streets approach including a narrower roadway and enhanced pedestrian connections. The roadway asphalt will be reduced from 10.0m to 7.0m. Parking will be allowed as it is currently allowed on the street.

The next slides will illustrate the identified changes.
