Open House
Public Information Session
Reconstruction Project
Fergus Avenue and Clover Place
August 2021
Posted Online

Please review the information posted and provide comments that you may have to the project team.
Welcome to this Public Open House Information Session, organized by the City of Kitchener, Development Services Department, Engineering Services Division

This project is being managed and coordinated by the City of Kitchener and funded through sewer and water reserves, and will not result in a direct cost to the homeowner.

The purpose of this open house is as follows:

• To present existing and proposed conditions drawings, and streetscape concepts within the project limits.

All members of the public and property owners are invited to:

• Review the online documentation
• Consult with the project team members
• Review the displays depicting the existing and proposed project details discuss any design issues, impacts on your community and/or property,
• And any other issues that you feel may be relevant with project team members
Project Information

Reconstruction Project

Fergus Avenue, Clover Place

Purpose of the Meeting: To present for public comment and input, the proposed reconstruction details.

Project Description: The existing storm and sanitary sewers, watermains, as well as service connections, curbs, sidewalk, and the road structure will be replaced on Fergus Avenue. Surface works will be completed on Clover Place.

Project Information

Reconstruction Project
Fergus Avenue, Clover Place

To minimize impact to the neighbourhood, it is proposed to complete the project in 3 separate stages:

Stage 1 – Fergus Avenue from Clover Place to Thaler Avenue (2021)

Stage 2A – Fergus Avenue from Weber Street to Falesy Avenue (2022)

Stage 2B – Fergus Avenue from Falesy Avenue to Clover Place, including Clover Place (2022)

Staging may vary depending on schedule and site conditions.
