Watermain Replacement Project
Morrison Road – King Street East to 75 Morrison Road

Welcome to this Online Information Session, organized by the City of Kitchener, Development Services Department, Engineering Services Division

This project is being managed and coordinated by the City of Kitchener and funded through sewer and water reserves, and Will not result in a direct cost to the homeowner.

The purpose of this information session is as follows:

• To present existing and proposed conditions drawings, and streetscape concepts within the project limits.
  • To provide a forum for comments by the public and property owners.

Member of the public are invited to:

• Review the displays depicting the existing and proposed project details discuss any design issues, impacts on your community and/or property,
  • And any other issues that you feel may be relevant with project team members
• Provide comments, outlining any suggestions, concerns, support, recommendations, or other thoughts concerning this project.
