Project Information

Reconstruction Project
Second Avenue – Kingsway Drive to Connaught Street

Purpose of the Meeting: To present for public comment and input, the proposed reconstruction details.

Project Description: The existing storm and sanitary sewers, watermains, as well as service connections, curbs, sidewalk, and the road structure will be replaced.

Project Funding: This project is funded by the ratepayers of Kitchener.

Construction Schedule: Construction is anticipated to begin in early May 2022 with paving complete by late September 2022.

Contractor: TBD

Project Management: City of Kitchener Development Services Department, Engineering Services Division.

Kevin Mick, P.Eng., 519-741-2200 ext. 7884, Kevin.Mick@kitchener.ca
Steve Collie, P.Eng., 519-650 – 8665, Stephen.Collie@aecom.com
Project Highlights

Second Avenue (Kingsway Drive to Connaught Street)

- Overview of work:
  - Complete Reconstruction of Second Avenue including new curbs, sidewalks, asphalt roadway, sanitary sewer and services, watermain and services and storm sewer.

- Proposed changes from existing roadway:
  - The City is proposing some elements of the Complete Street approach including a narrower roadway and a wider sidewalk on the east side of the street.
  - The roadway asphalt width will be reduced from 9.0m to 7.0m. Parking will be allowed as it is currently allowed on the street.
  - The width of the sidewalk on the east side of the street will be increased from the existing width of 1.5m to 1.8m.

The next slides will illustrate the identified changes.
