Project Highlights

Sydney Street North (King Street East to Weber Street East)

• Overview of work:
  • Complete Reconstruction of Sydney Street North including new curbs, sidewalks, asphalt roadway, sanitary sewer and services, watermain and services and storm sewer.

• Proposed changes from existing roadway to meet City of Kitchener Complete Streets guidelines:
  • New curb and gutter and a new 1.0m grass boulevard between the new curb and sidewalk on both sides of Sydney Street North between King Street East and Rosedale Avenue.
  • Reduction of street width from existing 10.0m to 7.0m between King Street East and Rosedale Avenue. Parking will be allowed as it is currently allowed.
  • New curb and gutter on both sides of Sydney Street North between Rosedale Avenue and Weber Street East, with a 1.9m grass boulevard on the west side of the street and a 1.5m grass boulevard on the east side of the street.
  • Reduction of street width from existing 8.0m to 7.0m between Rosedale Avenue and Weber Street East. Parking will be allowed as it is currently allowed.

The next slides will illustrate the identified changes.
