Planning Division – 200 King Street West, 6th Floor

PART A: SUBMISSION REQUIREMENTS

The following requirements are designed to assist applicants in submitting sufficient information in order that their Heritage Permit Application may be deemed complete and processed as quickly and efficiently as possible. If further assistance or explanation is required please contact heritage planning staff at heritage@kitchener.ca.

1. WHAT IS A HERITAGE PERMIT APPLICATION?

The Province of Ontario, through the *Ontario Heritage Act*, has enacted legislation to assist its citizens with the protection and conservation of cultural heritage resources.

Once properties are designated under the *Ontario Heritage Act*, the City is enabled to manage physical change to the cultural heritage resources as a means of protection. The principal mechanism of management is the Heritage Permit Application process, which allows the municipality to review site-specific applications and determine if proposed changes will beneficially or detrimentally affect the reasons for designation and heritage attributes.

As a general rule, the preferred alterations to heritage properties are those that repair rather than replace original heritage attributes, and those that do not permanently damage cultural heritage resources and their heritage attributes. Where replacement of materials or new construction is necessary, these should be compatible with the original. Reversibility is also preferable as this allows for the future reinstatement of heritage attributes.

According to the *Ontario Heritage Act*, no owner of designated property shall alter the property or permit the alteration of the property if the alteration is likely to affect the property's heritage attributes, unless the owner applies to the council of the municipality and receives written consent. This consent is obtained through the approval of a Heritage Permit Application.

Heritage Permit Applications are applicable for all individually designated properties (under Part IV of the *Ontario Heritage Act*) and all properties located within the boundaries of Heritage Conservation Districts (designated under Part V of the *Ontario Heritage Act*).

2. WHEN IS A HERITAGE PERMIT APPLICATION REQUIRED?

Under the Ontario Heritage Act, R.S.O. 1990, any new construction or "alteration" to a property designated under Part IV of the Act (individually designated property) or a property designated under Part V of the Act (within a Heritage Conservation District) requires a Heritage Permit Application. "Alteration" is defined as: "to change in any manner and includes to restore, renovate, repair or disturb." In addition, the approval of a Heritage Permit Application is required for any demolition of a property designated under Part IV or V of the Act. **Please contact Heritage Planning staff directly to confirm if your specific project requires the approval of a Heritage Permit Application.**

Below are some examples of typical Part IV alterations that may require a Heritage Permit Application:

- Addition and/or alteration to an existing building or accessory building
- Replacement of windows or doors, or a change in window or door openings
- Change in siding, soffit, fascia or roofing material
- Removal and/or installation of porches, verandahs and canopies
- Removal and/or installation of cladding and chimneys
- Changes in trim, cladding, or the painting of masonry
- Repointing of brick

Note: Heritage Permit Application requirements differ between Part V designations depending on the policies and guidelines of the respective Heritage Conservation District Plans. Please refer to the City of Kitchener's website at www.kitchener.ca/heritage to download a copy of the relevant Heritage Conservation District Plan (Civic Centre Neighbourhood, St. Mary's, Upper Doon, and Victoria Park Area).

3. WHAT INFORMATION IS REQUIRED WITH A HERITAGE PERMIT APPLICATION?

The information required varies with each application. The intent of the application is to ensure that Heritage Planning staff and, where required, the Heritage Kitchener committee understand the specific details of any proposed changes in order to be sufficiently informed so they may offer advice to the applicant and, where required, to City Council. An incomplete application cannot be processed and the official notice of receipt (as required under the *Ontario Heritage Act*) will not be issued until all of the documents have been submitted. Failure to provide a complete application may result in deferral by Heritage Planning staff or the Heritage Kitchener committee in order to secure additional information, which will delay final approval. At minimum, the following information is required:

Heritage Permit Application Form

The applicant must provide a complete original copy, including signature of the owner, of the Heritage Permit Application Form.

Written Description

The applicant must provide a complete written description of all proposed work. The description should complement drawings, detailed construction plans, photos and any other sketches or supporting information submitted with the application. The written description must include a list and the details of all proposed work including, but not limited to, proposed colours, materials, sizes, etc.

Construction and Elevation Drawings

Along with construction elevation drawings (drawn to scale) the applicant may also, **but not in lieu of**, submit a sketch of the proposed work made over a photograph.

Drawings must be drawn to scale and include:

- a) Overall dimensions
- b) Site plan depicting the location of existing buildings and the location of any proposed new building or addition to a building
- c) Elevation plan for each elevation of the building
- d) Specific sizes of building elements of interest (signs, windows, awnings, etc.)
- e) Detailed information including trim, siding, mouldings, etc., including sizes and profiles
- f) Building materials to be used (must also be included in the written description)
- g) Construction methods and means of attachment (must also be included in the written description)

Some of the above components may be scoped or waived at the discretion of Heritage Planning staff following discussion with the applicant.

Photographs

Photographs of the building including general photos of the property, the streetscape in which the property is located, facing streetscape and, if the property is located at an intersection, all four corners. Photos of the specific areas that may be affected by the proposed alteration, new construction, or demolition must be included.

Electronic copies of construction and elevation drawings, sketches, and photographs, along with hard copies submitted with the application, are encouraged.

Samples

It is recommended that applicants bring samples of the materials to be used to the Heritage Kitchener meeting when their application is to be considered. This may include a sample of the windows, brick, siding, roofing material, as well as paint chips to identify proposed paint colours.

Other Required Information

In some circumstances Heritage Planning staff may require additional information, such as a Heritage Impact Assessment or Conservation Plan, to support the Heritage Permit Application. The requirement for additional information will be identified as early on in the Heritage Permit Application process as possible. Pre-consultation with Heritage Planning staff before formal submission of a Heritage Permit Application is strongly encouraged.

4. WHAT CAN I DO IF MY HERITAGE PERMIT APPLICATION IS DENIED?

City of Kitchener Heritage Planning staff and the Heritage Kitchener committee endeavour to come to solutions for every Heritage Permit Application submitted. Discussions with the applicant and revisions usually result in successful applications.

However, if the municipality refuses your application and you choose not to resolve the issue with a revised application, you have the option of appealing the decision to the Conservation Review Board (for alterations to designated properties under Part IV) or the Ontario Municipal Board (for demolition of property designated under Part IV or for any work to designated property under Part V).

5. IMPORTANT NOTES

Professional Assistance

Although it is not a requirement to obtain professional assistance in the preparation of this information, the applicant may wish to seek such assistance from an architect, architectural technologist, draftsman or others familiar with the assessment of buildings and the gathering together of building documents.

Building Codes and Other By-laws

It is the applicant's responsibility to ensure compliance with all other applicable legislation, regulations and by-laws. These items include the Ontario Building and Fire Codes, and the City's zoning and property standards by-laws.

- g) Heritage Permit Application is considered at Heritage Kitchener meeting. Heritage Planning staff present staff Report and Recommendations to Heritage Kitchener. Where the applicant, Heritage Planning staff and/or Heritage Kitchener do not support the Heritage Permit Application, the staff report with recommendation and Heritage Kitchener recommendation will be forwarded to Council for final decision.
