

NOTICE OF A NEIGHBOURHOOD MEETING

Proposed Telecommunications Tower at 55 Driftwood Drive

This neighbourhood meeting is the result of an application by Forbes Bros Ltd. on behalf of Rogers Communications Inc. to erect a telecommunications tower being 30 metres in height, on lands municipally known as 55 Driftwood Drive. Initial circulation of the proposed tower was mailed to all property owners within 90 metres of the property lines for the tower location in February 2020.

The purpose of this neighbourhood meeting being held by the City of Kitchener is to allow the public to hear information about the proposed tower, ask questions, and provide feedback. See key map for location and photo rendering attached.

All decisions related to this application will be made by Innovation, Science and Economic Development Canada (formerly known as Industry Canada). The City's role is to advise the federal government on "concurrence" or "nonconcurrence" with the proposed tower location and consult with the community.

The Virtual Neighbourhood Meeting will be held on Wednesday, February 10, 2021 at 7 pm.

Due to restrictions on public gatherings due to COVID-19, this meeting will be held in a virtual forum with electronic participation via ZOOM. To participate in the virtual meeting, you will need access to a computer with internet service or a telephone.

To register for the meeting, please contact Tara Zhang at tara.zhang@kitchener.ca, or at 519-741-2200 x 7760, by Tuesday, February 9th. She will send a Zoom link to all that registered on Wednesday morning, February 10th.

If you wish to make a written submission concerning this matter, please provide comment by February 5, 2021 by email to Sheryl Rice Menezes at sheryl.ricemenezes@kitchener.ca or by mail to:

ATTN: Sheryl Rice Menezes, Planning Technician (Zoning)
City of Kitchener
Planning Division, 6th floor
PO Box 1118, 200 King St W
Kitchener ON N2G 4G7
