PURPOSE
To encourage the development of new not-for-profit affordable rental and co-operative housing units in the form of a grant that covers non-capital upfront costs associated with removing barriers to advancing a project from idea to shovel-ready, as defined in Council Policy FIN-GRA-2038 (Not-For-Profit Affordable Rental & Co-op Housing Incentive).

DEFINITIONS

Affordable Dwelling Units means:

a) A unit for which the rent or housing co-op monthly charges (similar to rent) does not exceed 30 percent of the gross annual household income for low- and moderate-income households; or,

b) A unit for which the rent or housing co-op monthly charges (similar to rent) is at or below the average market rent of a unit in the Regional market area.

Non-Profit Housing Developer means:

a) A corporation to which the Not-for-Profit Corporations Act, 2010 applies, that is in good standing under that Act and whose primary objective is to provide housing;

b) A corporation without share capital to which the Canada Not-for-Profit Corporations Act applies, that is in good standing under that Act and whose primary objective is to provide housing;

c) A non-profit housing co-operative that is in good standing under the Co-operative Corporations Act; or,

d) An organization that is a registered charity within the meaning of the Income Tax Act (Canada) or a non-profit organization exempt from tax under paragraph 149 (1) (l) of that Act, and whose land is owned by the organization, all or part of which is to be used as affordable housing.

Supportive Housing means “alternative housing” that focuses on rehabilitation and community integration. They are generally operated by non-profit agencies and staff are composed of individuals trained in social work or psychiatric rehabilitation.

ELIGIBILITY CRITERIA
a) Projects will be subject to financial review to confirm project viability.

b) The applicant must meet the definition of a Non-Profit Housing Developer.

c) Incentives only apply to the creation of new Affordable Dwelling Units.

d) Primary use of the qualifying dwelling units must be residential.

e) Eligible projects are those that are in the early stages of ideation or concept development through building permit review. Projects with a building permit issued for the proposed new units are not eligible for the program.

f) Eligible projects may include a for-profit development where a portion of units are Affordable Dwelling Units that are managed and operated by a Non-Profit Housing Developer. Funding would only be available for the affordable dwelling units.

g) Eligible units must maintain affordability for a duration of 25 years.
h) Proof of ownership or legal right to develop on lands.

i) The subject property shall not be in a position of tax arrears.
