SUBMISSION REQUIREMENTS FOR SIGN PERMIT APPLICATIONS
Planning and Housing Policy Division – 200 King Street West, 6th Floor
P.O. Box 1118, Kitchener ON N2G 4G7
519-741-2426; planning@kitchener.ca

Please provide all applicable submission requirements and fees at time of application. For more information or a copy of the Sign By-law, contact the Planning and Housing Policy Division or visit our website at www.kitchener.ca.

NOTE: A letter of authorization from the property owner must also be submitted with the application form.

1. All drawings are to be submitted in metric units of measurement

2. Site Plan (1 copy) – For construction, information, ground supported, new home development, tower or billboard signs – please include:
   • Location of proposed sign(s)
   • Setback from property lines
   • Location of all other signs on the property and abutting lands
   • Distance to parking or pedestrian areas
   • To determine if a City Site Plan is available, please contact the Records Administrator at building@kitchener.ca.

3. Sign Drawing (1 copy) – For all sign types, please include the following (if applicable):
   • Dimensions of sign
   • Dimensions of wall the sign is located on
   • Clearance from grade to bottom of sign
   • Height of sign
   • Description of area beneath the sign (pedestrian, vehicular, landscaped)
   • Projection from wall
   • Material of the wall that the sign is being attached to
   • Details of how sign is fastened to the wall - size, spacing and number of bolts
   • Footing details
   • Landscape details/changes (updated or new landscape plan may be required)

4. Additional Information
   • For an awning, fascia or projecting sign, you must also submit – a photo or elevation drawing of the building or structure to which the sign is to be attached clearly showing the proposed location of the sign and showing that it will not cover any architectural feature of the building or structure
   • For any ground supported or tower sign over 7.5 metres in height:
     o Committee of Adjustment approval is required
   • The Ontario Building Code requires the following signs to be designed by a Professional Engineer:
     o All types of projecting building signs (including fascia) weighing more than 25 kg (55 lbs)
     o All freestanding signs greater than 1.8 metres (5.9 feet) above ground level
   • Processing time is approximately 5 weeks from date fee is received
