

**Appendix H: Grand River Conservation Authority Regulated Area
First Draft Zoning By-law – Component D: (April 2017)**

 GRCA Regulation Limits

Development, redevelopment or site alteration within the Grand River Conservation Authority regulated areas will require a permit from the Grand River Conservation Authority in accordance with the applicable regulation approved under the Conservation Authorities Act. The actual regulated area may differ from the area shown, which is shown for informational purposes and the regulated area, as determined by the Grand River Conservation Authority, shall prevail.
