

**Appendix J: Residential Intensification in Established Neighbourhoods Study (RIENS) Area:
First Draft Zoning By-law – Component E (May 2017)**

REINS Area Boundary

Development, redevelopment or site alteration within the RIENS Areas may have specific regulations such as garage and driveway regulations. These regulations are included in Subsection 5.3 within Section 5 Parking, Loading, and Stacking.

Regulation or definition remains under review and/or subject to input from Urban Design Manual update process.
