

NOTICE OF THE PASSING OF A ZONING BY-LAW

by The Corporation of the City of Kitchener

TAKE NOTICE that on the 21st day of March, 2022, the Council of the Corporation of the City of Kitchener under Sections 26(9) and 34 of The Planning Act, R.S.O. 1990, c.P.13, as amended, passed By-law No. 2022-040.

Pursuant to Section 34 of the Planning Act, all oral and written submissions were considered as part of Council's decision-making process, with the effect being that the subject amendment was approved as described below. Additional information related to this matter are available on the City's website at www.kitchener.ca, including:

- The minutes of the March 9, 2022 Planning & Infrastructure Services Committee when the matter was first considered,*
- the March 21, 2022 Council minutes when the Council made its decision,*
- the Development Services Department report number DSD-2022-088 and addendum report number DSD-2022-157 – Zoning By-law Amendment Application No. 22/003/COK/RK*

The purpose of the amendment (CRoZBy Stage 2b) is to apply the new seven residential zones (RES-1 through RES-7) of Zoning By-law 2019-051 to most residential lands in Kitchener (CRoZBy Stage 2b). The Zoning By-law Amendment also applies a small number of non-residential zones to properties and makes minor changes to the zones and regulations of By-law 2019-051. No key map is provided due to the nearly City-wide nature of the proposed amendment.

The effect of these changes will bring approximately 54,000 mostly residential properties from the old Zoning By-law No. 85-1 into the new Zoning By-law No. 2019-051 and implement the City's new Official Plan.

If you require further information regarding the Zoning By-law, please contact **R. Kelly-Ruetz** of the Planning Division, Development Services Department, City Hall, **telephone 741-2200 x 7110**.

An appellant may request a reduction of the filing fee to \$400.00, if the Appellant is a private citizen or eligible community group.
