Lower Doon Secondary Plan

What is the purpose of this project?

The existing policies and regulations for Lower Doon were developed over 20 years ago, with some dating back to the late 1970s.

The Lower Doon Secondary Plan project will review and update the existing planning, including:

- Official Plan policies
- Zoning by-laws
- Urban Design Guidelines
- Cultural heritage policies/guidelines

Recommendations

Protect Heritage

Prepare a Planning Framework

Enhance the Supply of Housing

Role of the College

Enhance the Public Realm

Oversee Property Standards

Allow Lodging Houses

Role of Lower Doon Residents

Protect Heritage

Recommendations

- Protect designated heritage properties
- Identify, protect, and celebrate additional heritage attributes, properties, and landmarks

City Next Steps

- Retain a heritage consultant to assist in the development of a Heritage Character Area (Upper Pinnacle Drive)
- Develop policies and guidelines to protect key heritage assets

Enhance the Supply of Housing

Recommendations

- Promote the development of purpose-built student housing
- Allow for a greater mix of housing types within Lower Doon and promote the development of higher density housing and/or mixed-use developments on vacant lands south of Homer Watson Boulevard

City Next Steps

- Identify opportunities to accommodate additional housing, specifically purpose-built student housing

Enhance the Public Realm

Recommendations

- Enhance the public realm by adding pedestrian amenities (e.g.: sidewalks, street furniture) and protecting street trees

City Next Steps

- Continue enhancement projects of the public realm
- Continue monitoring the health and condition of street trees

Allow Lodging Houses

Recommendations

- Update the licensing by-law and regulations for lodging houses
- Allow licensed lodging houses within Lower Doon

City Next Steps

- Complete the city-wide lodging house by-law review
- Seek Council approval for the updated city-wide lodging house by-law (early 2023)

Prepare a Planning Framework

Recommendations

- Identify a land use and design framework, including guidance for the development of vacant and underdeveloped lands
- Develop urban design guidelines for Lower Doon to ensure compatible development

City Next Steps

- Review land use designations, zoning regulations, and guidelines
- Develop draft demonstration plans

Role of the College

Recommendations

- Work with Conestoga College to proactively manage and address ongoing issues and opportunities, including preparing a “Code of Conduct/Good Neighbour Guide” for students living off-campus

City Next Steps

- Engage with Conestoga College throughout this project

Oversee Property Standards

Recommendations

- Continue to manage properties through existing City protocols (e.g.: Property Standards and Maintenance protocol, Kitchener Fire Department inspections)

City Next Steps

- Continue to manage properties through existing City protocols, in partnership with By-law enforcement
- Finalize the review and update of the City-wide lodging house by-law

Role of Lower Doon Residents

Recommendations

- Form a neighbourhood association in Lower Doon

City-Wide Lodging House By-law Review

What are we reviewing?

- Licensing Services is the owner of the Lodging House By-law in the City of Kitchener
- By-law was last updated in 2005
- Language in by-law is outdated
- Zoning is being updated
- Want to review fees, number of licences, regulations
- Want to ensure that we strike a balance between easy for operators, safety for tenants, and the neighbourhood

Project Timeline

November 2021 – June 2022: Research Phase

- Staff will be reaching out to other municipalities to ask for their lodging house bylaws
- Look at regulations within our Lodging House by-law (number of bedrooms, locations, inspections, requirements)
- Meet with stakeholder groups
- Reviewing applications and requirements
- Review other legislation and types of rental bylaw (ex: AirBnB, residential care facility)

Project Timeline

July – December – Reviewing Results of Research Phase

December 2022 & January 2023

- Internal stakeholders
- External partners
- External agencies
