

# Sharrows

Share the road with  
Kitchener's new cycling infrastructure

Sharrows are road markings that help cyclists position themselves on the road while reminding both motorists and cyclists to share the space. It is legal for cyclists to take the whole traffic lane when a road is too narrow to be shared with a motorist.

For more information  
on sharrows, please visit  
[www.bikekitchener.ca](http://www.bikekitchener.ca).
