The purpose of this addendum is to ensure the City of Kitchener’s 2020 Storm Water Asset Management report meets the requirements laid out by O.Reg 588/17 – Asset Management Planning for Municipal Infrastructure, which lays out the requirements for Asset Management Plans prepared by municipalities across Ontario and milestones that all municipalities are required to meet.

AMENDMENTS

1. Description, which may include maps, of the user groups or areas of the municipality that are protected from flooding, including the extent of the protection provided by the municipal stormwater management system.

Figure 1 – City of Kitchener Storm Pipe Network (Created 2024-06-13).
The City of Kitchener is in the Grand River watershed where the Grand River Conservation Authority is responsible for flood mapping.

Please refer to the 2021 City of Kitchener Development Manual for Storm Sewer and Stormwater Management Design Guidelines.
