

## Pollinator Plant List - Perennials

### Relative Heights

very short	<30cm
short	30 - 60cm
medium	60 - 90cm
tall	90 - 150cm
very tall	150+cm

### Blooming Periods

Early	April - June
Mid	June - August
Late	August - October

**Do Your Part for our Pollinators**

**Choose Native Ontario Pollinator Plants**

**Select at least one species from each of the blooming periods and you will ensure your garden or planting space provides a constant supply of food for bees, butterflies and other important pollinating insects.**

Common Name	Botanical Name	Bloom Colour	Blooming Period	Relative Height	Required Sun
shooting star	<i>Dodecatheon meadia</i>	white - purple	April	short	Pt. Shade - Shade
golden Alexander	<i>Zizia aurea</i>	yellow	late April - June	medium	Sun - Pt. Shade
prairie smoke	<i>Geum triflorum</i>	pink	late April - June	very short	Sun - Pt. Sun
Canada columbine	<i>Aquilegia canadensis</i>	red & yellow	late April - June	medium	Sun - Pt. Shade
wild strawberry	<i>Fragaria virginiana</i>	white	late April - June	very short	Sun - Pt. Shade
lanceleaf coreopsis	<i>Coreopsis lanceolata</i>	yellow	May - July	short	Sun
common blue-eyed grass	<i>Sisyrinchium montanum</i> <i>or</i> <i>campestre</i>	purple	May - July	very short	Sun - Pt. Sun
Canada anemone	<i>Anemone canadensis</i>	white	May - July	short	Sun - Pt. Shade
foxglove beardtongue	<i>Penstemon digitalis</i>	white	May - July	medium	Sun
mountain mint	<i>Pycnanthemum virginianum</i>	white	mid June - Sept	medium	Sun
bluebell	<i>Campanula rotundifolia</i>	purple	June—Sept	short	Sun - Pt. Shade

Common Name	Botanical Name	Bloom Colour	Blooming Period	Relative Height	Required Sun
Culver's root	<i>Veronicastrum virginicum</i>	white	June - August	very tall	Sun
swamp milkweed	<i>Asclepias incarnate</i>	pink - mauve	July	tall	Sun - Pt. Sun
butterfly milkweed	<i>Asclepias tuberosa</i>	orange	June - August	short - medium	Sun
hoary vervain	<i>Verbena stricta</i>	purple	July - Sept	medium - tall	Sun
grey-headed coneflower	<i>Ratibida pinnata</i>	yellow	July - Sept	medium - tall	Sun
wild bergamot	<i>Monarda fistulosa</i>	light purple	July - Sept	medium - tall	Sun - Pt. Shade
purple prairie clover	<i>Dalea purpurea</i>	rose purple	July - August	short - medium	Sun
black-eyed Susan	<i>Rudbeckia hirta</i>	golden yellow	June - Sept	short - medium	Sun - Pt. Sun
Ohio goldenrod	<i>Solidago ohioensis</i>	golden yellow	August -Sept	short - medium	Sun
zigzag goldenrod	<i>Solidago flexicaulis</i>	golden yellow	July - Sept	short - medium	Sun - Shade
showy goldenrod	<i>Solidago speciosa</i>	golden yellow	July - Sept	medium	Sun
spiked blazing star	<i>Liatris spicata</i>	purple	July - August	short - tall	Sun - Pt. Sun
Spotted Joe-pye weed	<i>Eutrochium maculatum</i>	pink	Aug-Oct	medium-tall	Sun
New England aster	<i>Sympho novae-angliae</i>	purple	Aug - Sept	medium - very tall	Sun
skyblue aster	<i>Symphotrichum oolentangiense</i>	blue / violet	Sept - Oct	medium	Sun
smooth aster	<i>Aster laevis</i>	light purple	Sept - Oct	medium	Sun
