Kitchener Fire Department

Fire Headquarters
 270 Strasburg Road
 Kitchener, ON N2E 3M6
 519-741-2495
 fireprevention@kitchener.ca

Kitchener Fire Department Office Use Only	
Inspection Date (yyyy-mm-dd)	Inspection Completed By (First, Last Name)
Approved By (Fire Prevention Officer)	Date (yyyy-mm-dd)
<input type="checkbox"/> Yes <input type="checkbox"/> No Kitchener Fire Dispatch Notified	

- The Kitchener Fire Department Dispatch shall be called at 519-741-2582 before burning starts and when burning has been completed.
- Approved open air burning may only occur on the inspected site and only during daylight hours.
- Fire permit holder (or alternate who is specifically listed on open air burn permit) in charge of burn must be present and observing open air burning from time of lighting to time of extinguishment and clean-up of fire.
- Weather conditions such as wind or lack of rain or presence of dry grass renders authorization invalid.
- Any Fire is subjected to the regulations set down by the Ministry of the Environment regarding Air Pollution. Plastics, Rubber Products, Leaves, etc. cannot be burned.
- The Ontario Fire Code (2.4.4.4) states, "Open Air Burning Shall not be Permitted unless Approved."
- No burning will be permitted on Air Quality Advisory Days.

*** This permit can be revoked at any time ***
