

## **Disclaimer**

The Approved Deck Guard (Railing) Systems List, Approved Decking Material List, and all related information, is provided for general information purposes only. The Corporation of the City of Kitchener makes no representations or warranties, express or implied, regarding the accuracy, completeness, or currency of the information contained in this list or any related documents.

The City of Kitchener assumes no responsibility or liability for any errors, omissions, or outcomes resulting from the use of this information. Any person who relies on or uses this information does so entirely at their own risk. The Applicant/Owner and any person undertaking work based on this information assumes full responsibility for all decisions made, work performed, and any resulting damages, costs, or losses.

Users are strongly advised to confirm the applicability and current acceptance of any deck guard (railing) system and/or decking material with the City of Kitchener's Building Division prior to construction.

The Applicant/Owner agrees to release, indemnify, and hold harmless the Corporation of the City of Kitchener, its officers, employees, and agents from and against any and all claims, demands, losses, costs, damages, actions, or proceedings arising directly or indirectly from the use of this information.

No permission is granted to reproduce, distribute, or use the Approved Deck Guard (Railing) Systems List, Approved Decking Material List, and related information.

Approvals listed apply only within the City of Kitchener and are not transferable to other municipalities. Compliance reviews are based on the Ontario Building Code in effect at the time of review. Re-approval may be required where a new edition of the Ontario Building Code is issued or where amendments affect guard loading requirements or other relevant provisions.

Inclusion of a system on the Approved Deck Guard (Railing) Systems List and Approved Decking Material List does not eliminate or replace the requirement to obtain a building permit or to comply fully with the Building Code Act and the Ontario Building Code. The Applicant/Owner is solely responsible for obtaining all required permits and ensuring code compliance.
