

	<h2 style="text-align: center;">PRE-SUBMISSION CONSULTATION MEETING REQUEST FORM</h2> <p style="text-align: center;">Development & Housing Approvals 200 King Street West, 6th Floor P.O. Box 1118, Kitchener ON N2G 4G7 519-741-2426; planning.applications@kitchener.ca</p>
---	---

A Pre-submission Consultation Meeting is required prior to the acceptance of an application for:

- Site Plan Approval
- Official Plan Amendment
- Zoning By-law Amendment
- Plan of Subdivision or Vacant Land Condominium
- Plan of Condominium (if requested)
- Committee of Adjustment (if requested)

The Pre-Submission Consultation Meeting may address more than one application if multiple applications are required for planning approval in support of the same development project. However, any applications for a plan of subdivision, official plan amendment and/or zoning by-law amendment that are required for a site plan application must have received a Council decision prior to the submission of the related site plan application.

The purpose of the Pre-Submission Consultation Meeting is to identify those studies/reports required to commence processing of the development application(s), as well as to obtain and provide information required to better process the application. Pre-consultation **does not imply or suggest any decision** whatsoever on behalf of City staff or Corporation of the City of Kitchener. Further, participating in pre-submission consultation does not allow the owner, applicant, client and/or consultants to undertake any construction or preparatory work onsite, including clearing of trees /vegetation and grading. The pre-submission agreement at the end of this document outlines this policy.

The Pre-Submission Consultation Meeting is required unless the Director of Planning or his/her delegate waives the requirement where it has been determined that no reasonable purpose would be served by such a meeting due to the nature of the application. If the requirement for a pre-submission consultation meeting has been waived, the Director or his/her delegate will issue a Record of Pre-Consultation which may scope or waive the studies, reports, maps or plans required to constitute a complete application.

PLEASE NOTE: Pre-submission meetings will not be booked until sufficient information has been provided. Should additional information be required, staff will contact the proponent or applicant.

SUBMISSION REQUIREMENTS FOR ALL APPLICATION TYPES:
