Due to potentially severe traffic issues on some streets, the contractor may request an exemption from part of the commissioning process under the Disinfection Procedure. As part of the exemption, Kitchener Utilities staff must stay on site and witness the installation and swabbing of the main. They must also return to the site twice to turn on/off the water. These costs are in addition to the tapping and are site specific and cover full time KU inspection for 1 day, visits to the site to turn on/off and bacteriological analysis (Regional lab).
