

Demolition Tracking Sheet

City of Kitchener, Building Division
200 King St W, 5th floor
Kitchener ON N2G 4G7
Office: 519-741-2312
Building email: building@kitchener.ca

This tracking sheet is to be signed by all authorized agents listed below, prior to the permit being issued. The permit applicant is to submit the demolition tracking sheets with the permit application submission, or prior to permit issuance (if permit is under review, email to permit.expeditor@kitchener.ca). Sheets will not be accepted prior to application and no email confirmations will be accepted. All demolition tracking sheets are to be submitted at the same time as one document. The owner/contractor is responsible for ensuring all services have been disconnected prior to demolition work commencing.
